How to find Viasuisse

By public transport

Hourly rail services from the main cities. From Biel railway station you can easily get to Schnyderareal in about 7 minutes on foot or with the number 1 bus (Vorhölzli) or the number 6 (Schulen Linde) to the Kreuzplatz bus-stop.

By car

Coming from the Zürich/Eastern Switzerland direction: take the motorway towards Bern, turn off about 30 km before Bern in the direction of Biel. From Geneva/Lausanne: either via Vevey/Fribourg, or via Yverdon/Neuchâtel. Both stretches are of equal length.

In front of the main entrance there are two visitor parking places reserved for Viasuisse. More parking places opposite Kongresshaus.
